## INSTRUCTIONS TO CONTRIBUTORS

**JOURNAL OF BIOPESTICIDES** will publish original research papers on the management of insect, mite, nematode pests, weeds and disease of crops with biopesticides based on natural sources like plants, microbes, fungi, predators and parasitoids and allied materials like bio-herbicides and entomopathogenic nematodes for agricultural, biochemical, molecular and biotechnological nature related to biological pesticides.

1. Manuscripts in English should be submitted to The Managing Editor either by post or by e-mail attachments:

**K. Sahayaraj**, Crop protection Research Centre, Department of Advanced Zoology and Biotechnology, St.Xavier's College (Autonomous), Palayamkottai – 627 002, Tamil Nadu, India, E-mail : jbiopest@hotmail.com.

### 2. Publication policy:

\* Manuscripts submitted for publication in **Journal of Biopesticides** should not have been published or submitted for publication elsewhere.

\* At least first or first two authors should be a member of **Journal of Biopesticides**.

\* Page charges are applicable at the rate of Rs. 175 and US\$ 12 per printed page for authors in India and overseas, respectively. Invoice will be sent to the authors along with the galley proof.

\* Announcements of seminars/symposia, book reviews and relevant informations on plant protection will be considered for publication.

\* Strict conformity with the journal guidelines will ensure speedy publication of your paper.

### Typing and submission:

3. Two copies of the manuscript (double-spaced), complete in all respects including illustrations, along with soft copy (OR) via e-mail should be sent to the Managing Editor.

4. Order the elements comprising the manuscript as follows: title page (13 font size, bold) along with authors address including contact numbers and E-mail address (separate page), Abstract (350 words), 4–6 Key words, Running title, Introduction, Materials and

Methods, Results, Discussion, Appendix, Acknowledgements (including those for grant and financial support), References, Tables, and Figure-caption list.

5. We accept good quality photographs & camera-ready illustrations (numbered in one consecutive series of Arabic numerals). Legend for the figures should be typed on a separate page. All figures must be referred to, at appropriate places, in the text. Figures should be send in **JPEG or TIFF format**. The cost of printing colour illustration is to be met by the author.

6. Tables should be numbered (with Roman numerals) and referred to by number in the text and carry explanatory footnotes (indicated by superscript lowercase letters) below the table.

7. **List references** alphabetically at the end of the paper and refer to them in the text by name and year in parentheses. Unavoidable circumstances use abstract references. The style and punctuation of the references should conform to that used in the journal—illustrated by the following examples:

#### **Journal Article**

Schal, C., Charlton, R. E. and Card, R. T. 1987. Sex pheromone titers and release rates in *Holomelina lamae* (Lepidoptera: Arctiidae). *Journal of Chemical Ecology*, **13**: 1115–1129.

#### **Book**

Poinar, G. O., Jr. and Thomas, G. M. 1984. *Laboratory Guide to Insect Pathogens and Parasites*, Plenum Press, New York, 234 **PP**.

#### **Proceedings/Book contributions**

Sahajini, K. 1981. Disruption pine beetle infestations with attractants and inhibitors. In: *Management of Insect Pests with Semiochemicals: Concepts and Practice* (Mitchell, E. R. ed.), Plenum Press, New York, 365–383 **PP**.

8. Footnotes should be avoided. When their use is absolutely necessary, footnotes should be numbered consecutively using Arabic numerals and should be typed at the bottom of the page to which they refer. Place a line above the footnote, so that it is set off from the text. Use the appropriate superscript numeral for citation in the text.

*Dear Colleagues,*

**THIRD BIOPESTICIDE INTERNATIONAL CONFERENCE (BIOCICON 2011):** BIOCICON-2011 is being organized from 28 to 30 November 2011 by Crop Protection Research Centre, Department of Advanced Zoology and Biotechnology, **St. Xavier's College (Autonomous), Palayamkottai, Tamil Nadu, India in collaboration with Tamil Nadu Agricultural University, Coimbatore.** This conference is in continuation of BIOCICON 2009 held previously in the same Institution assisted by Council for Scientific and Industrial Research (CSIR), New Delhi, Ministry of Earth Science, New Delhi and Tamil Nadu State Council for Science and Technology (TNSCST), Chennai. BIOCICON 2011 is aimed to promote basic and applied research and development for ecofriendly pest and disease management in agriculture, horticulture and forestry.

### **TOPICS TO BE DISCUSSED IN THE CONFERENCE**

**Botanicals:** flowering and non-flowering plant; extraction, isolation, identification, characterization and formulation of insecticides, Essential oils, Plant/Herbal extracts.

**Microbial insecticides:** Bacteria, fungi, virus, nematodes; quorum sensing (Interfering microbe-microbe communication); Antimicrobial substances from terrestrial and marine organisms, Essential oils, Bioactive phytochemicals, Plant/Herbal extracts, Purification, Structural determination, formulations.

**Biosafety and registration of biopesticides:** Against, beneficial, useful and productive organisms; biopesticides registrations.

Cont...

**Biotechnology:** Nano-materials (nano - particles, nano - crystals, nano - grained materials...); pesticidal peptides, pesticidal enzymes ; GM crops, Semiochemicals.....

**Economics, Investment and partnerships:** Economics and Investment in Biopesticides Industries; Industries - Scientist and public partnership.

**CALL FOR RESEARCH PAPER**

All abstract to be submitted for presentation at the BIOCICON 2011 must be sent to the Organizing Secretary. Each submission must be accompanied by three copies of abstract (within 250 words, without any sketch, tables, reference ect.) and a soft copy by email to **biocicon 2011 @ gmail. com** on or before 30<sup>th</sup> June 2011. Name of the presenting author and corresponding author must be specified clearly with their full postal address, phone number, fax number, mobile number, and e-mail address in the abstract. **Each author is entitled to submit only two papers.** Additional charge will be collected for each additional submission (Rs.300 or US\$ 30). Abstracts received after June 30, 2011 and up to August 15, 2011 will be considered only for poster presentation.

**VIRTUAL PARTICIPATION**

In addition to the oral and posters presentations, a **Virtual Participation** mode has been established for those researchers who are unable to attend the Conference personally. These participants will be requested to send “virtual papers”, which will be exhibited at the online platform for virtual participation. These papers can be prepared using Power Point, Flash or similar software, or video recordings. Please consult the conference secretary for details.
