

## AUTHORS AGREEMENT FORM

**Manuscript Number: JBiopest .....**

**Title:**

.....  
.....

**Author(s) Name and address:** -----

-----  
-----

**Please complete this form and submit with the manuscript.**

1. It is a new and original work representing a true contribution of us/me to the scientific knowledge. It has not been published or communicated previously to any journal (s). We carefully checked the manuscript for plagiarism.
2. The title reflects the manuscript content, according to the objectives and the results obtained.
3. The **abstract** is well structured, include background information, objectives , results and main conclusions outlining the study.
4. **Key words:** Use appropriate keywords, maximum six, avoid repeating words from the title..
5. **Running title** has been provided
6. The **introduction** should be concise and informative, putting the research subject in perspective, cite current and relevant references, establish hypotheses and provide related research objectives
7. **Material and Methods** gives enough information to allow other researchers to reproduce the experimental outcome. The experimental design and statistical analyses are appropriate.
8. **Results and Discussion** has been presented clearly and concisely, with appropriate tables, figures and pictures.
9. The **conclusions** are in accordance with the objectives and results obtained.

10. At the first mention of plants, crops, insects, pathogens, etc., the scientific name and author/s are included after the common name in the abstract or text, tables, and figures.
11. All in-text references are included in Literature Cited and vice versa. Proceedings references include event location and date, followed by publisher or organizing entity, city, and country of publication.
12. **Tables** have self-explanatory titles; all abbreviations are explained as table footnotes. Tables indicate statistical analysis.
13. **Figures** have a self-explanatory title and all abbreviations are defined in figure footnotes. They do not repeat table information. Figure/s are in TIFF format.
14. If the article was prepared jointly by other authors, you ensure that you have been authorized by all the co-authors to sign this agreement on their behalf.
15. This agreement may only be amended by a document **signed by all authors**.
16. We assure that **no plagiarism** is present in our manuscript. If you or anyone find such a kind of plagiarism, the Editor of the journal has the right to cancel/remove the manuscript from the edition.
17. I/We agreed to provide all **copyright including re-copy right** to the Publisher.
18. We abide to **pay the page charges for our manuscript**, once it is accepted for publication as per the norms of the journal.
